

Canadian Respiratory Guidelines

3rd Annual Canadian Respiratory Guidelines Update

In conjunction with the Canadian Respiratory Conference

**Sheraton on the Falls Hotel and Conference Centre
Thursday, April 28, 2011
1330 to 1600**

CTS and CRHP members, the medical and research community and allied health professionals are invited to attend this third edition of the Canadian Respiratory Guidelines Update. Leading respiratory health experts will provide an update on new clinical practice guidelines and recommendations and will outline their dissemination and implementation initiatives for 2011/2012 in areas such as asthma (adult and pediatric), COPD (rehabilitation, dyspnea & Alpha-1), sleep disorders (adult), pulmonary vascular disease and home mechanical ventilation (adult).

The Canadian Respiratory Guidelines Update is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada, pending approval by the Canadian Thoracic Society.

We regret to inform industry representatives that, in keeping with the Canadian Thoracic Society Conflict of Interest Policy, this meeting is restricted to practicing health professionals who are not affiliated with industry. We thank our industry partners for their continued support and understanding.
